

What is Diversity?

Diversity - it's good to be different!

We are all individuals: every one of us has something that makes us special and unique. Here are some examples:

- Hair, eye and skin colour
- The country we belong to
- The languages we speak
- The clothes we wear
- The foods we eat
- The things we're good at
- Our likes and dislikes
- The people we call family
- Our beliefs or the religion we follow
